Rotary Club of Pacific Palisades
Pacific Palisades Junior Women's Club

When: 10:00 a.m.
Thursday, July 24, 2008

Where: Sewer Pump Station
Northeast Corner of PCH & Temescal Canyon Road
Pacific Palisades, CA 90272

*Parking on Temescal Canyon Road

What: Councilmember Bill Rosendahl will join community members and city officials to celebrate the completion of the Temescal Canyon Park and Pump Beautification Project.

The Rotary Club of Pacific Palisades, the Junior Woman's Club, and other private donors raised funds to landscape the area around the pump station, considered an eyesore.

Volunteers from the community, Abel Luna of Great Western Landscaping, and Jamie Hubbs of Boy Scout Troop 23 worked for nearly two years to beautify the pump station. An automatic solar powered sprinkler system was also installed.
